This is where we hold our student presentations as well as our graduation ceremony.

[FACILITIES INTRODUCTION VIDEO](#)

# Class and Seminar

## Class

Learn useful Japanese and enrich your understanding of Japan!

## Seminar

Using the “four skills”, students strive to improve their ability in Japanese while at the same time increasing their background knowledge of the Japanese language and deepening their understanding of Japan through experiential learning.

Sightseeing in Kyoto

Yusen-Style Dyeing

Tea Ceremony

Social Gathering with KUA students

Calligraphy

Japanese Drums

Japanese food (Washoku)

Tatami

Japanese Dancing

# EXTRACURRICULAR ACTIVITIES

Students will be able to participate in a wide variety of extracurricular activities including cultural, educational, and social activities to provide them with a broad range of experiences and a deep understanding of Japan.

\* Extracurricular activities require a separate fee (approximately ¥500 to ¥3000) for each.

One special  
month  
you can only  
experience  
in JAPAN,  
in KYOTO,  
at KICL!
